Dear Parent/Carer

### **Year 7 – Praising Stars 2**

Your son/daughter is now close to completing their first full term at Outwood Academy Danum, we hope it has been a positive one for them. Attendance in Year 7 is currently 94.2%, which is on average 20 hours of lost learning time and therefore is still an area we need to improve. We must all work together to ensure your son/daughter attends whenever possible, as this is the foundation for their success.

We are thrilled to report that 94.7% of effort grades in Year 7 have been positive (E1-E3). This demonstrates how well they have made the transition to secondary school.

There have been lots of success stories outside of the classroom too. Many of our Year 7 students have been busy earning Pledges. Two football teams were triumphant in the tournament held at Outwood Academy Adwick, whilst many more participated in the wonderful Danum Pyramid Carol Concert held at Doncaster Minster.

As we are now at Praising Stars 2, I would like to take this opportunity to thank you for your continued support in your son/daughter's education and offer you some ideas on how we can work together to ensure your son/daughter achieves their potential.

**Maths** – Please log onto the Hegarty Maths with your son/daughter. This can be used as a revision tool and to support progress. Should you need the log on details please contact Mrs Raynsford (Head of Maths) at [n.raynsford@danum.outwood.com](mailto:n.raynsford@danum.outwood.com).

**English** – Please encourage your son/daughter to read their accelerated reader book for at least 20 minutes every day, then test them on their knowledge of the text to check their understanding. Students should be using their personal spelling log to practice their spellings.

**Languages** – Please support your son/daughter with their vocabulary learning which is set as homework every few weeks. Test students by reading out the English word and asking for the word to be spoken or written in the target language. Websites 'Memorise' and 'Quizlet' are useful to assist with vocabulary revision.

**Hair and Beauty** – Discuss and shop together for personal care products. Investigate and discuss careers and working patterns of family and friends.

**Food Technology** – Please support students in the selection and organising of ingredients for practical sessions. Encourage students to become involved in preparing meals in the home.

**Product Design/Engineering** – Encourage students to research what a product specification is, then complete a product specification for a mobile phone holder (Engineering), or a night light (Product Design). When this is completed students can produce 3 design ideas for the specifications that could be used to make the product.

### Parents Evening

On Tuesday 23 January 2018 Outwood Academy Danum will be holding a parents' evening. Parental appointments can be made between 4:30pm to 7:30pm, either at visitor reception or via your son/daughter's subject teachers. This is an opportunity for you to meet with staff and discuss your son/daughter's progress, effort, behaviour and successes. The academy's Inclusion Coordinator will also be available, alongside your son/daughter's Learning Manager. We look forward to seeing you on this evening. Please make appointments even if your son/daughter's teachers have not specifically asked to see you.

Can I please ask you to use our website and social media pages to ensure that you stay fully up to date with what is happening at Outwood Academy Danum. Find us on Facebook and follow @OutwoodDanum on Twitter.
