23 May 2018

Dear Parent/Carer

We are now into a very exciting and often challenging time of year for students in our older year groups. Exam periods can be very stressful for our young people and we thank you for your support in helping keeping them focused. We are very optimistic that our students will achieve fantastic results to help shape a promising future, due to their hard work and effort. Please ensure students have revision plans and are studying hard for this final push. Our recent 'Preparing to Succeed' event was well received by all of year 11 and hopefully provided them with the belief that they can achieve and surpass their potential.

Our year 8 students are looking forward to their graduation residential. All students are working hard to ensure they earn their pledges and have consistent effort in lessons to ensure they graduate. We look forward to welcoming parents and carers to their graduation event.

Please note that aerosols such as deodorant, aftershave, perfume or hairspray should not be brought onto the Academy site. We have several students who suffer from Asthma attacks when aerosols are used. Roll on deodorants can be used. Please see letter attached for more information.

Please be aware that students in years 7 to 10 will be taking part in an assembly W/C 4 June and topics will include CSE and illegal highs.
