**University and Careers stands at Outwood Academy Danum
Parents Evenings 2018-2019**

Dear parents/carers

The HeppSY Project is an exciting project that is part of the National Collaborative Outreach Programme. The aim of the project is to increase the number of young people progressing to Higher Education. As part of this project, Outwood Academy Danum have invited university and careers stands to the Parents Evenings on the 6th November 2018, the 5th March 2019 and the 11th June 2019.

The stands will be from the University of Sheffield, Sheffield Hallam University, the University of Huddersfield and Careers Inc. They will be in the Nolan Hall Entrance between 4:30pm and 7:30pm so that both parents and students can ask the teams any questions on a one-to-one basis. Prospectuses/information leaflets will also be available.

We hope that you find these stands and workshops useful, to help you assist your child in making important decisions about their future.

Many thanks for your support,
The HeppSY Team
