Dear Parent/Carer

INSET Day – Friday 27 September 2019 - UCI Road World Championships

We recently had a meeting with the organisers of the UCI Road World Championships. They have informed us of many road closures near the academy at both the start and end of the school day on Friday 27 September 2019. We raised requests to adjust the scheduling to minimise any disruption to our students attending or leaving the academy on this day. Unfortunately they have been unable to accommodate our requests due to TV scheduling.

We have made the decision to move the INSET day from Friday 20 December 2019 to Friday 27 September 2019. This is not a decision we have made lightly, having taken the short notice into consideration. Our priority is for students' safety, something that we cannot guarantee on their commute to and from school on this day.

This will be the first time that Britain has hosted the UCI Road World Championships in 37 years and Yorkshire is aiming to deliver the most inclusive, innovative and inspiring Road World Championships in the history of the UCI. If you would like further information on the event, wish to see the map of road closures or if you would like to spectate this memorable event please visit www.worlds.yorkshire.com.

School will now be open as usual on Friday 20 December 2019 prior to the Christmas holidays commencing.

Yours sincerely

Ms J Gaunt
