

Dear Parent / Carer

As we approach the final exam season we continue to ensure that our students are as well prepared as possible for the rigour of their GCSEs. In order to best support our students they will be sitting final mock exams. I know you will want to support your son/daughter at this critical time and therefore I have provided an examination timetable to assist you with this (on the back of this letter).

These mock exams will be the final opportunity for students to remind themselves of the format and language used before their actual GCSEs, as well as an ideal way for subjects to assess how students perform in order that we may finely tune the final revision sessions. It is therefore important that the examinations are approached by all students in the appropriate manner to ensure maximum benefit.

In advance we expect students to prepare fully for these examinations and trust you will make every effort to assist your son / daughter through this important time.

On the days themselves it is important that students:

- Have a full set of equipment to enable them to sit the examination
- Arrive for the examination on time

If you have any questions with regards to this please do not hesitate to contact me.

Many thanks in advance for your support.

Mr Michael Grant
Vice Principal
