Dear parent/ carer,

Thank you for all your support so far during this unprecedented time. We are continually reviewing the provision that we are offering our students during this closure period. Google Classroom will remain the primary platform we will use for home learning but I am now writing to you to explain our plans to develop this further.

To make the most of the final weeks of this term we will be introducing a timetable for your child to follow starting on Monday 29th June. This timetable will run to the end of this term and covers all subjects across the curriculum. Your child should be logged onto Google Classroom ready for the start of each lesson. These lessons will include recorded input from teachers to help support the teaching of new content. There will then be independent tasks for your child to follow based on this input.

Year 8	9.00 - 10.00	10.00 - 11.00	11.00 - 12.00	1.00 - 2.00	2.00 - 3.00
Monday	Science	ICT	Art	Drama	Spanish
Tuesday	Maths	English	Art	Spanish	PE
Wednesday	English	DT	History	Science	Maths
Thursday	Geography	English	Music	Science	Maths
Friday	Life	Maths	English	History	PE

Deadlines for completing tasks will be set by individual teachers and will not necessarily be at the end of each timetabled session. These deadlines can be viewed easily by selecting the 'To Do' list on Google Classroom.

If your child is having any difficulties accessing their account and/ or work, please contact google@danum.outwood.com

If you are unable to access online learning paper work packs are still available from reception and are updated every two weeks.

Yours Sincerely

Mrs Gaunt
Principal
