

Wednesday 6th December 2023

Dear parents/carers,

We would like to invite you to our festive themed reading event on Thursday 14th December from 4.00pm until 5.30pm.

We encourage you to attend with your child in years 7-9 and any younger children. There will be a creche for younger children where they can listen to stories from our sixth form child development students. You will have the chance to listen to short presentations on how best to support your children in reading and literacy.

We will also introduce all our interventions and you will have the chance to pick up your child's reading assessment and ask any questions about how to interpret the results. Here you will learn what your child's reading age is and how we are trying to improve that as well as top tips for home reading.

This will be a relaxed and informal event designed to best support you and your children, with snacks and refreshments provided.

Please can you complete this GoogleForm: <https://forms.gle/cZ7lCfINyCZ9dDZz8> if you are intending to attend so we can make sure we have enough resources and hospitality for you all.

We really look forward to seeing you there.

Yours faithfully,

Ms Arnold  
Head of English
