

Friday 10th March 2023

Dear Parents/Carers,

Unfortunately, due to the extreme weather conditions in South Yorkshire, we are having to make the decision to move **to close the school today**. This decision has been made due to staffing concerns, and not the safety of the school site. Many of our staff travel from areas that have been severely impacted by the heavy snowfall, and are unable to travel due to the dangerous conditions. This means that we would not have sufficient staff to safely supervise all the pupils in the academy.

Staff will be uploading work onto google classrooms for pupils to access from home. We are sorry for the disruption that this may cause, and hope you understand that we do not take this decision lightly. We thank you for your support at this time.

Yours faithfully,

A Crane
Principal
