We have a comprehensive child safeguarding policy which we are happy to share with you upon request, which is also available on our website at: <http://www.danum.outwood.com/>

If your child informs staff members of any issues which cause us concern, we may request the help of outside agencies. Depending on the nature of the concern and the severity of the issue, we may or may not contact parents/ carers regarding the disclosure the child has made. We would in this instance contact the relevant professional body and seek their advice. Please be aware that our aim is always to act professionally with the child's safety and best interest at the forefront.

We are committed to working positively, openly and honestly with parents/carers. We respect parents/carers' right to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so to protect a child.

Yours faithfully,

Denise Godfrey
Vice Principal
