Tuesday 6th September 2023

Dear parents and carers,

We know that communication between the academy and yourself is vitally important, therefore we are using 'Xpressions' which provides parents with a portal to receive messages from school. It will be used in place of any communication that would normally be sent by text message. Xpressions messages are similar to WhatsApp or iMessage in that they are transmitted over the internet rather than by SMS. Other academies are already using this to great success.

In order to use this we need to ensure we have your correct mobile number and email address. If we already have this, thank you, if not please could you email enquiries@danum.outwood.com with your email address and your child's name. It is vitally important that we always hold up to date contact details for you.

You can download the app for free from your usual app store (it is supported by iOS and android devices) to your phone or tablet.

There is a website with more information, and with step-by-step instructions:
parents.groupcall.com/setup/account-registration/

If you have any questions please email enquiries@danum.outwood.com.

Yours faithfully,

Mandy Crane

Principal
