

Dear Parent/ Carer,

As you may be aware, last night there was a fire at our former lower school site on Leger Way. We have been working with the fire brigade and the police: the fire commander has confirmed that school **can open as normal today, the 4th of October**. School staff will be on hand to support pupils who quite rightly may be unsettled from the events.

We are sorry for the impact this will have had on the local community. We cannot thank you enough for the community support and patience whilst we try to resolve this distressing situation.

The police will now be leading the investigation as to the cause of the blaze. If you or any family members have seen or heard anything, we encourage you to contact the police or the school as soon as possible.

Yours faithfully,

A Crane
Principal
