Dear Parent/Carer,

DT Contribution

All our students have Design and Technology lessons in Year 7, 8 and 9, these lessons develop key skills, creativity and critical thinking in Food Technology, Product Design and Engineering. Preparing students for their GCSE pathways and the wider world. Students are successful and enjoy learning. Each week, a number of pupils proudly come home with the evidence of their hard work and creativity.

At Outwood Academy Danum we are proud of each student's achievements; to enable all students to participate in the planned practical lessons all food ingredients and hard technology materials are sourced by the school at considerable cost.

In order to maintain the high level of practical skills progress, we are requesting a parental/carer contribution to cover some of the cost of food ingredients and hard technology materials costs. Each year costs have been itemised; Year 7 have 13 food recipes and 2 hard technology products planned, Year 8 & 9 have 6 food recipes and 2 hard technology products planned.

The contributions will be paid in 3 instalments through iPay on/by 1st October 2023, 1st February 2024 and 8th April 2024.

- Year 7 £15 in total split into 3 equal payments of £5.00
- Year 8 £10 in total. 1st payment- £4.00 followed by 2 payments of £3.00
- Year 9 £10.50 in total. 2 payments of £4.00 followed by 1 payment of £2.50

We have kept these costs to a minimum to support families.

If you have any queries regarding this matter, then please do not hesitate to contact me at Outwood Academy Danum.

Yours Faithfully

Mrs J South
